#### PLEASE, ANSWER THE FOLLOWING QUESTIONS

The Internship Program is an exciting opportunity to build your skills as a leader, your knowledge about the community, and your ability to fight for your rights. **Why do you want to participate in the Internship Program?**

It is important for us to respect diversity and communicate in all languages. The internship builds leaders who speak all languages and come from all ethnicities and cultures and backgrounds.

**What languages do you speak?** \_\_\_\_\_

**Where were you born?** \_\_\_\_\_

All of the participants in the Internship are active in their communities, churches, organizations or unions. **What organization are you a member of?**

**What kinds of activities have you participated in with your organization?**

**Where do you work? How long have you worked there?**

**What other organizations do you belong to (church groups, community groups, cultural groups, political groups)?**

Being an intern is a **SERIOUS COMMITMENT**. You will participate in a training workshop **EVERY** Thursday from 9am-8pm and you will be expected to participate in activities in the community. If you miss a day, it hurts the other interns and your own organization.
